Verse 1:

Ab Ab/F Gb Gb/Eb E/Db Gb Ab
It was in a dream I had, lights were turning blue and red all around
Worried I would lose my way; colors all faded to gray, dirty brown.

Chorus:

Ab Ab/F Gb Gb/Eb
That guy is playing better than me
That guy is a little smarter than me
That guy is making all the funnies
E/Db F/Eb E Gb Ab
Why can’t that be me?

Verse 2:

Looking back I almost fell, didn’t handle my flaws well, never did
Wishing I could be that good, big man in the neighborhood, all-star kid

<Chorus>

Refrain:

E/Db E/C E/B E/Bb
I want to be prettier, I want this shirt to fit
I need to be king of cute, I wish I was Brad Pitt!

<Instrumental Bridge>

Db Db/Eb Db/Gb Db/F E Gb Db Db
Db Db/Eb Db/Gb Db/F E Gb
+ Intro

Verse 3:

As I open up my book, I see it’s a real good look (my story)
Learning to enjoy myself, not the same as someone else because I’m me

Chorus 2:

That guy is playing better than me
That guy is a little smarter than me
That guy is making all the funnies
So what? I’m so glad I’m me!
I’m glad I’m me! (3x)
